3	Code and classification of training areas	7M021 Art Link declassification training areas with VPO (2018)
4	Group of educational programs	
5	Name of educational program	7M02106- Directing (scientific and pedagogical direction)
6	Look OP	a) The current OP
7	The purpose of the OP	Training of scientific and pedagogical personnel for the system of higher, postgraduate education and the research sector with in-depth scientific and pedagogical training in the field of theater directing
8	A-level ISCED	7 Master or equivalent
9	The level on the NQF	7 Postgraduate education, practical experience.
10	Level ORC	7.1-7.2
11	Distinctive features of OP	a) No;
	The UNIVERSITY partner (SOP)	
	The UNIVERSITY partner (of DOP)	
12	Result of training	 ON1 Ready to carry out pedagogical activities in the profile of the specialty in the educational programs of the field of art ON2 Carries out research activities with the application of practical experience in directing theater based on the knowledge gained throughout the course of studying pedagogy of higher school
		ON3 Speaks English to a degree sufficient for successful communication and publication of scientific articles in accordance with the requirements of international standards
		ON4 Applies the skills of scientific research in accordance with existing historical and philosophical concepts, while developing his own scientific projects in all fields of art
		ON5 Capable of improving the intellectual and general scientific level, psychological, pedagogical and moral development of the individual

		 ON6 Systematizes modern trends in the development of art directing, understands modern technologies in order to achieve the best results of artistic, staging activities in the field of art directing and the educational process of higher education ON7 Able to generalize, evaluate and present the results of his research activities ON8 Performs project management in the field of art, based on the analysis and criticism of existing works, using knowledge of management psychology and psychology of art, marketing.
13	Form of training	Full-time
14	Language of instruction	Kazakh, Russian, English
15	Volume of credits	120 credits
16	Academic degree awarded	Master of Arts
17	Availability of application to the license for the	License number KZ71LAA00005325
	direction of training	License Issue Date14 July 2015
18	The presence of accreditation OP	there is
	Name of accreditation body	NAAR B / M, International Institutional Re-accreditation
	Duration of accreditation	December 10-12, 2015 - 12/25/2020 (NAAR)
		2018-2023 (International Institutional Reaccreditation)
19	Information about the disciplines	2.2)/Information about the disciplines VK / KV LTD, DB, PD (Appendix 2.2)

	dances, etc.								
	uances, etc.								

Modern trends and	The purpose of the	+	+	+			+	
technologies in	discipline is to prepare							
directing	for the study and							
6	knowledge of modern							
	theatrical cultural							
	forms and processes;							
	ethical foundations of							
	directing, civil and							
	social purpose of the							
	theater, the connection							
	of theater with life, the							
	theater's appeal to the							
	actual problems of							
	modernity. The							
	importance of							
	directing in the							
	theatrical process.							
	Moral and ethical							
	norms and discipline							
	as a necessary element							
	ensuring success in							
	collective creativity							
Problems of	The purpose of the	+	+			+	+	+
modern dramatic	discipline is to teach a							
art	master's student to set							
	and solve problems							
	related to the creation							
	of a stage image. The							
	director must be able							
	to make a choice of							
	the cast and justify it.							
	Actors must							
	understand the							
	director's idea, explain							
	the means of its
