2nd exam

Colloquium (History of choreographic art and education, music, theater, literature, etc.).

Score	Traditional assessment	Criterion
40-45	Excellent (5)	<ul style="list-style-type: none"> - excellent level of theoretical knowledge of special subjects at the level of secondary special educational institutions; - excellent knowledge of the basics of meter-rhythm of musical works); - excellent knowledge of the history of choreographic art, national and world culture, art.
35-39	Excellent (5-)	<ul style="list-style-type: none"> - high level of theoretical knowledge of special subjects at the level of secondary special educational institutions; - excellent knowledge of the basics of meter-rhythm of musical works); - sufficiently high level of knowledge of the history of choreographic art, national and world culture, art.
30-34	Good (4+)	<ul style="list-style-type: none"> - high level of theoretical knowledge of special subjects at the level of secondary special educational institutions; - mastery of basic knowledge of choreography, - sufficient knowledge of the basics of meter-rhythm of musical works); - good level of knowledge of the history of choreographic art, national and world culture, art.
25-29	Good (4)	<ul style="list-style-type: none"> - fairly good level of theoretical knowledge of special subjects at the level of secondary special educational institutions; - incomplete knowledge of the basics of meter-rhythm of musical works); - good level of knowledge of the history of choreographic art, national and world culture, art.
20-24	Good (4-)	<ul style="list-style-type: none"> - average level of knowledge in the history of choreographic art, culture, theater, and literature. - average level of theoretical knowledge of special subjects at the level of secondary special educational institutions; - insufficient knowledge of the basics of meter-rhythm of musical works). - mastery of the knowledge of the principles of building lessons in special disciplines (mistakes in terminology are allowed;

		<ul style="list-style-type: none"> - not good enough level of knowledge of the history of choreographic art, national and world culture, art; - lack of clear understanding of the subject of future professional activity.
15-19	Satisfactory (3+)	<ul style="list-style-type: none"> - incomplete level of theoretical knowledge of special subjects at the level of secondary special educational institutions; - insufficient knowledge of the basics of meter-rhythm of musical works); - low level of knowledge of the history of choreographic art, national and world culture, art.
10-14	Satisfactory (3)	<ul style="list-style-type: none"> - low level of theoretical knowledge at the level of secondary special educational institutions; - insufficient knowledge of the basics of meter-rhythm of musical works); - low level of knowledge of the history of choreographic art, national and world culture, art.
5-9	Satisfactory (3-)	<ul style="list-style-type: none"> - surface knowledge of the history of choreographic art, culture, theater, and literature. - very low level of theoretical knowledge of special subjects at the level of secondary special educational institutions; - lack of understanding of the musical characters of works and their meter-rhythm, etc. - lack of understanding of the basics of dance choreography. - no understanding of the subject of future professional activity.
0-4	Unsatisfactory 2	<ul style="list-style-type: none"> - lack of knowledge of the history of choreographic art, culture, theater, and literature. - lack of theoretical knowledge of special subjects at the level of secondary special educational institutions; - lack of understanding of the musical characters of works and their meter-rhythm, etc. - lack of understanding of the basics of dance choreography. - no understanding of the subject of future professional activity

PEDAGOGY OF BALLROOM DANCE

1. Purpose and objectives of the exam

The purpose of the entrance exam is to determine the level of knowledge and practical training for the study at the faculty of "Choreography" to identify the most prepared applicants.

Tasks of the entrance exam:

- to evaluate the level of choreographic training of the applicants, which characterizes their readiness to master professional competencies of a certain orientation, corresponding to the educational program;
- to identify the degree of the applicants' professional ability to master various choreographic directions;
- to determine the level of general cultural competence: the level of general education, intellectual abilities, knowledge in the field of ballet history, culture, art, theater and literature.

2. Creative exams

1. Exam

Performance mastership:

- ballroom dance: Standard;
- ballroom dance: Latina.

2. Exam

Colloquium (History of choreographic art and education, music, theater, literature, etc.).

Requirements for applicants

For **performance mastery**, applicants must have professional performance skills: know the musical basis of European and Latin American dances and master the technique of performing the figures of "E", "D" classes. A mandatory element of the exam is a practical demonstration of one dance from each program (at option). The applicant must perform a practical demonstration of the etudes of folk stage dance. The applicant must have professional physical faculties.

During **Colloquium**, the applicants must demonstrate their intellectual level: cultural outlook, erudition, well-bred speech, knowledge of the history of ballet, culture, art, theater and literature. The applicant must demonstrate knowledge about outstanding foreign and domestic performers in the field of sport-ball dance; knowledge of the leading performers of the Republic of Kazakhstan, the CIS and the world. He/she must know which dances make up the Standard and Latina programs. Be aware of the world's largest sports dance tournaments.

Sample list of topics for the Colloquium:

1. Describe the dances that make up the standard and Latin American programs.
2. Acceptable pace of performance of musical accompaniment of Latin American dance programs.
3. Permitted number and mandatory order of dance performance in "E", "D" classes.

4. Rules of the Sports Dance Federation of the Republic of Kazakhstan on acceptable dances and figures.
5. Organizations that are part of the Sports Dance Federation of the Republic of Kazakhstan.
6. List and characterize dance classes.
7. Leading clubs and dance studios of the Republic of Kazakhstan.
8. The role of SDF of RoK in the development and popularization of dance sports.
9. The strongest performers of sport-ball dance of the Republic of Kazakhstan.
10. The main functions of a sport-ball dance trainer.
11. Best performers of the world in the Latin American program
12. The world's largest sports dance tournaments.
13. The history of origin of ballet education in Kazakhstan.
15. The art of Shara Zhienkulova.
16. Creative choreographic groups of Kazakhstan
17. Masters of ballet pedagogy of Kazakhstan.
18. Prominent figures of choreographic art of Kazakhstan
19. Professional ballet companies in Kazakhstan
20. Types of dance and their characteristics. To define the concepts: classical, contemporary, folk, historical and functional dance.

At creative exams, the dress code for the applicants is a professional rehearsal type of dress or a costume corresponding to the exam.

0-4	Unsatisfactory (2)	<ul style="list-style-type: none"> - lack of knowledge of domestic and world culture and art. - lack of understanding of ballroom choreography.

"PEDAGOGY OF CONTEMPORARY CHOREOGRAPHY"

1. Purpose and objectives of the exam

The purpose of the entrance exam is to determine the level of knowledge and practical training for the study at the faculty of "Choreography" to identify the most prepared applicants.

Tasks of the entrance exam:

- to assess the level of the applicants' basic choreographic education (choreographic school, ballet studio, art schools, cultural colleges), which characterizes their readiness to master professional competencies corresponding to the educational program;
- to identify the degree of the applicants' professional ability to master various choreographic directions;
- to determine the level of general cultural competence:
the level of general education, intellectual abilities, knowledge in the field of ballet history, culture, art, theater and literature.

2. Creative exams

Performance mastership:

1 exam:

- Classical dance – exercises at the barre, at the center of the room, allegro (*performance mastership*);

- Contemporary – parterre section, exercises at the center of the room, cross (*performance mastery*).

2 exam:

— **Colloquium** (History of choreographic art and education, music, theater, literature, etc.). Practical work on the art of choreography. Solo dance in the technique of contemporary choreography by choice (street dance, contemporary, modern, jazz, neoclassical dance)

3. Requirements for applicants

For *performance mastery*, applicants must have the skills of performing sections of classical dance, master the practical demonstration of educational example in the technique of contemporary dance. When performing a solo dance, it is necessary to demonstrate a competent knowledge of technique, musicality, and expressiveness. The applicant must have professional physical faculties.

For **practical work on the art of choreography**, the applicant must demonstrate the level of professional training, the skill of plastic expressiveness, the ability to think in choreographic images. The applicant must demonstrate the potential of creative thinking in the field of body movement, the ability to make the simplest combinations.

In **Colloquium**, the applicants must demonstrate their intellectual level: cultural outlook, erudition, competent speech. Have knowledge of the history of world culture, art, theater and literature, and knowledge in the field of choreographic art. Be able to define the following concepts: folk, classical, historical and functional dance, contemporary ballroom dance. Know the works of outstanding choreographers and teachers. Know about the activities of the choreographic art director: his/her organizational, pedagogical, and choreographic works. Demonstrate knowledge of the basics of musical literacy, have an idea of the works of outstanding composers.

Sample list of topics for the Colloquium

1. Types of dance and their characteristics. To define the concepts: classical, contemporary, folk, historical and functional dance.
2. The main directions of modern choreography.
3. The origins and formation of modern choreography. The role of Francois Delsarte and Jacques Emile Dalcroze.
4. American school of modern dance and its representatives. The creative path of Martha Graham, Jose Lemon, Lester Horton, Mars Cunningham.
5. German modern dance school (expressionist), Rudolf von Laban's theory of movement.
6. Alvin Ailey – representative of modern jazz.
7. The value of the art of P. Bausch - a representative of the direction of Dance Theater in the choreographic art.
8. Mars Cunningham – the founder of "postmodernism" in modern choreography.
9. D. Balanchine - the creator of a new direction of "neoclassics" in XX century in USA.
10. William Forsyth. His role and significance in the development of ballet art in XX century
11. The works of outstanding ballet masters of modern choreography: Jiri Kylian, Matz Ek, Kenneth Macmillan, and others.

12. Modern choreography in Kazakhstan.
13. The profession of a teacher-choreographer and its significance.
14. Pedagogical features of the A.Y. Vaganova's system.
15. A. Seleznev's role in the formation of the Kazakh choreographic school.
16. The art of Shara Zhienkulova.
17. Pedagogical activity of Dauren Abirov.
18. Masters of ballet pedagogy of Kazakhstan.
19. Club and street directions in modern choreography.
20. Professional ballet companies in Kazakhstan.

At creative exams, the dress code for the applicants is a professional rehearsal type of dress or a costume corresponding to the exam.
