13) recommendation (signed and stamped by the organization).

The documents listed in paragraphs 3), 4) and 8) are provided in originals and copies, after verification of which the originals are returned to the applicants.

Persons who have the Test of English as a Foreign Language Institutional Testing Program (TOEFL ITP) certificate take additional English proficiency testing (hereinafter referred to as additional testing) before the start of the doctoral entrance exam. The number of additional test tasks is 100 questions. The maximum number of points is 100 points. Additional testing is evaluated in the form of "admission" or "non-admission". To get the "admission" score, you must score at least 75 points. Additional testing is carried out by the NTC in organizations designated by the authorized body in the field of education. The date, time and place of additional testing are brought to the attention of applicants through their personal account. The results of additional testing are displayed on the computer screen after the completion of additional testing. According to the results of additional testing, an electronic certificate is issued, which is published and confirmed on the NTC website and sent to the applicant's personal account.

If an incomplete list of documents specified in this paragraph is provided, the admission committee does not accept documents from applicants!
