

On February 17, 2026, a ceremonial presentation of special certificates was held at Kazakh National Academy of Arts named after Temirbek Zhurgenov for participants of the “Silver University” program in the “History of Fine Arts” section.

During the event, the Vice-Rector for Academic and Educational-Methodological Affairs, Ergobek Shyngys Kulbekuly, congratulated the first graduates of the course and presented them with certificates.

In addition, within the framework of the new project “The Lives of Remarkable People” under the Silver University educational program, Senior Lecturer of the Department of History and Theory of Fine Arts, Faculty of Art Studies, art historian L.A. Kenzhebaeva delivered a lecture entitled “The Creative Work of K.T.Telzhanov in Kazakh Painting.”

The event became a significant milestone for participants interested in the arts and an important step toward deepening their artistic and aesthetic knowledge.
